## PRINCIPAL'S MESSAGE

With only two weeks of this term left, I know everyone is eager to hear about the arrangements for week 10 and the plan for term 4, however I am yet to receive instructions from The Department. Please be assured that I will update you all as soon as I receive some information.

Here at school the staff and I have certainly been enjoying the return of some beautiful weather and are looking forward to having all students return to on-site learning as soon as possible.

## Happy Fathers Day!

Happy Father's Day to all of the special males in the lives of our students. I hope you all have a wonderful day on Sunday!

## ★★★ Principals Award ★★★

**Kai G from 4M** – For your amazing video about France! Kai I loved the creative way that you presented your information and jokes, and could clearly see how much effort you put into planning your presentation. Well done!

## Fairy Garden

A new fairy garden has been created at our school. A number of students have been working hard to create this beautiful addition to our school grounds. Great job kids!

## Headlice

We have had some students on-site with traces of head lice. Please check your child's hair and scalp for any signs of lice or eggs. If you see lice or eggs, your child must be treated before they return to school. Please continue to check each day after, until all eggs and live head lice have gone. Treatments are available from the chemist shop. **Any students found with visible eggs or live head lice will be sent home from school for treatment. Follow up treatments are recommended after 7 and 14 days.**
