## PRINCIPAL'S MESSAGE

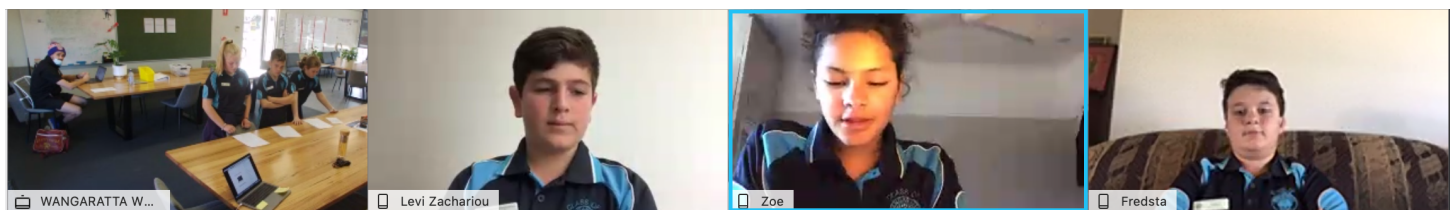

### Live Assembly

Today we launched our first ever live WebEx assembly it was fantastic! Congratulations to our school captains Zoe, Jess, Freddie and Levi who did an amazing job of leading the assembly, and to Harry and Beth who gave great sports updates for us. Thank you very much to everyone who sent through photos or videos for our montage. This seems to have been a very popular inclusion so please continue sending them through and I will include them in next week's edition.

### Parent/Carer Feedback

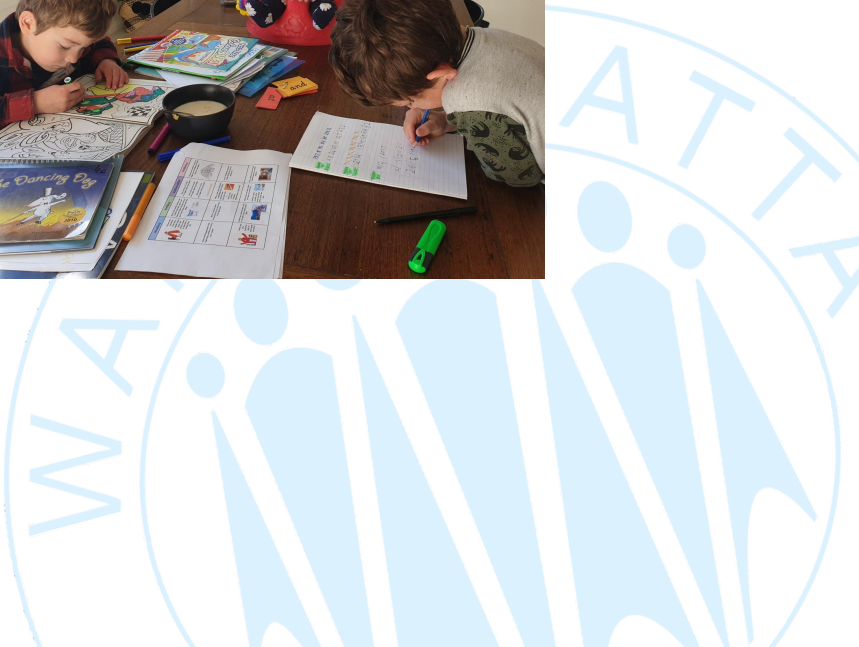

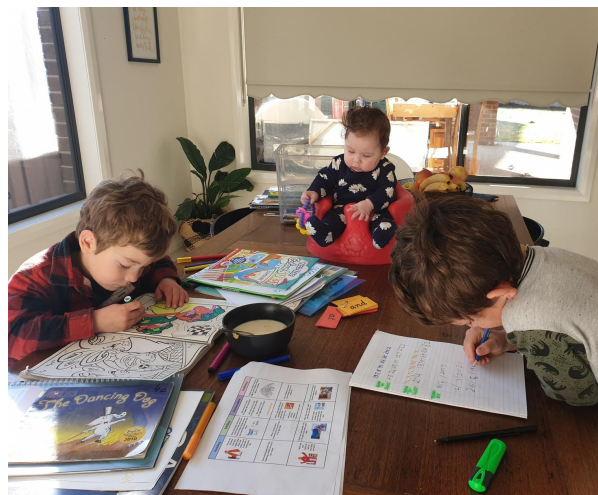

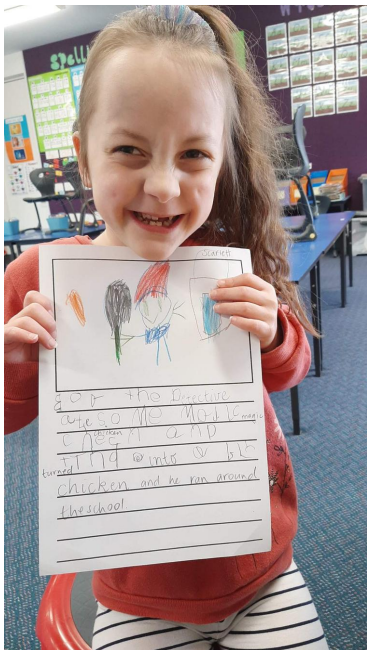

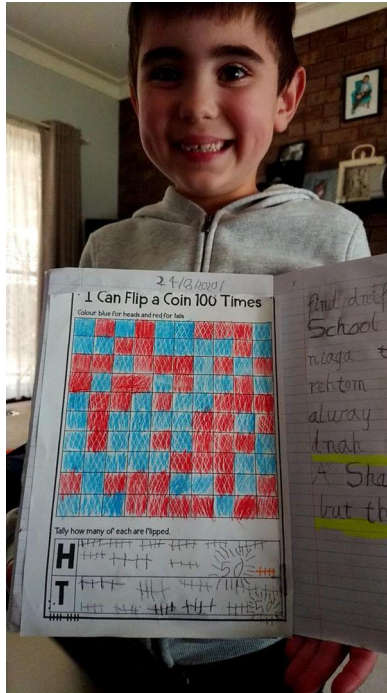

Thank you again for all of the amazing feedback we received last week. The staff and I went through your suggestions at a meeting on Monday and on the whole the feedback suggested that the model is being very well received as it is but you may also see some subtle adjustments in the coming weeks. I ended the meeting by reading out the beautiful words of support and encouragement that flooded in and the staff were extremely grateful. We all feel very lucky to have such this level of support from our amazing school community - thank you!!
