POLICY

1. School profile

Originally opened in 1950, Wangaratta West Primary School is located between Phillipson and Donald streets in Wangaratta. It is comprised of 22 classroom learning spaces located within four permanent blocks and three sets of relocatable buildings. A large multi-purpose hall, with attached canteen and music suite is adjacent to the main administration office block. This administration building also houses staffroom facilities, the principal and assistant principal offices and a wellbeing room. The Library and an Art room, along with a dedicated Science room complete the school's built facilities. Within the school grounds are a number of adventure playground sets, a large hard-court area and grassed playing areas.

The school has approximately 500 students, with most drawn from within Wangaratta and a small number travelling to school by bus from surrounding rural areas.
